

# SkyDrive and Windows Live Mesh (remote access)

**SkyDrive**---Online storage of files, photos, documents. This account will be setup by Tech Staff

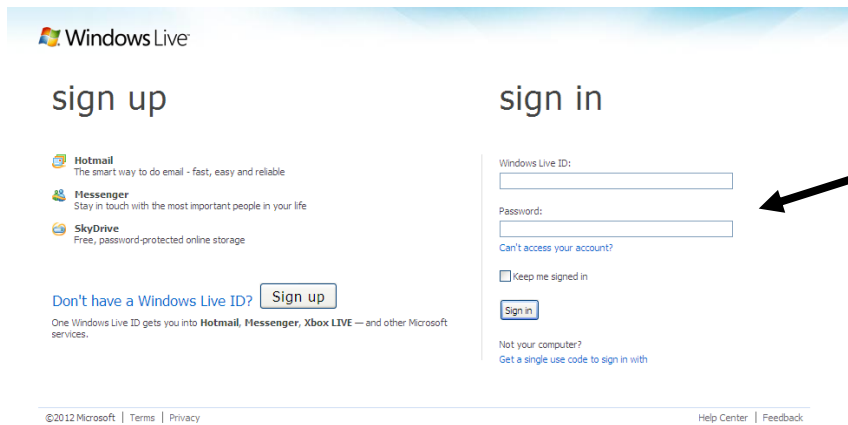

Login: *first initial last name@dpsnd.org*.....i.e., [bbonicelli@dpsnd.org](mailto:bbonicelli@dpsnd.org)

Password: \_\_\_\_\_

From any browser, go to website: [www.skydrive.com](http://www.skydrive.com)

## To Remote Access Your School Workstation:

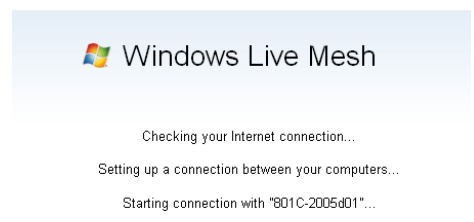

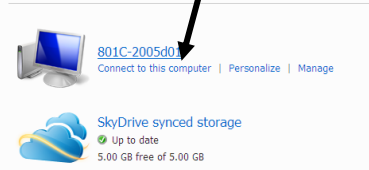

Go to website: <http://devices.live.com>

Sign in using Skydrive  
Login & password

## Connect to your workstation

Wait for connection—  
depends on your connection  
speed on your offsite PC.

Login screen will appear and you are  
working on your school workstation—can  
access all computer software, directories,  
and printers that you access from your  
workstation at school.

## To disconnect from Live Mesh
